

Alpha Delta Fraternity

1160 Dupont Street
FLINT 4, MICHIGAN

AIMS AND GOALS

Alpha Delta's aim is to promote the highest order of brotherhood, good fellowship, mutual interests and high scholastic achievements. As such our goals include:

1. Maintaining facilities where a better environment for the pursuit of academic work can be secured.
2. Choosing our members and maintaining our fraternity so that it is a place where a sound cultural atmosphere can be found.
3. Operating our pledge program so that character is formed, not destroyed.
4. Operating in such a manner that habits of responsibility, perseverance and leadership are seriously cultivated by members and pledges.
5. Operate with a policy where members "practice what they preach" so that the pledges appeal to the examples of the members. As a result, pledges are not driven to give adherence to regulations which the members violate with impunity.
6. Maintain a place where the ideal of the chapter is to aid rather than hinder, the educational progress of the Institute.
7. Maintain a brotherhood where a warm congeniality of personal relationships between the men exists, that outsiders, looking in, will desire to share in the privilege of membership.
8. Support the Institute in its operations, policies, purposes, and activities.
